

Applicants who have lived abroad

Coaches, Play & Stay Assistants, Tennis Assistants

If a Coach, a Play & Stay Assistant or a general Tennis Assistant has resided in countries outside of the Republic of Ireland and Northern Ireland for a period of 6 months or more, it is mandatory to furnish Tennis Ireland with a Police Clearance Certificate from those countries stating that he/she has no convictions recorded against him/her while residing there.

The applicant will need to provide a separate Police Clearance Certificate for each country they have resided in.

Clearance must be dated after the date he/she leaves the country or countries in question.

Seeking security clearances from other countries is the responsibility of the applicant.

It is a process which can take quite an amount of time as in some cases translation is required into English.

Tennis Ireland cannot proceed with a coach's vetting application unless the Police Clearance Certificate is provided.

Once we receive your police clearance certificate, your vetting application can be finalised.

Character References must be dated after the date he/she left the country/countries and on letterheaded paper.
