

Level 2

This person has completed The Tennis Ireland Level 2 Coach Education Programme, and is qualified to work with and develop intermediate to advanced players of all ages, and performance players up to 12 years of age.

LEVEL TWO COACHING COURSE

Before applying for Level 2, applicants must have worked for at least 1 year as a Level 1 Development Coach and completed the Director of Tennis Course.

Potential Candidates may be required to take a playing and feeding test before they are accepted onto the course. This will depend on the participant's performance at Level 1.

The course is delivered in blocks, taking in weekends and a series of 2 & 3 weekdays during school holidays. The course starts in the autumn and concludes at the end of the spring and beginning of the summer the following year.

The programme covers the full Learning to Play & Practice, the Training to Train and part of the Training to Compete Phases of the Long Term Player Development Pathway.

Level 2 Examination Process

The exam consists of a project, practical observation & assessment and continuous assessment.

The project will be assigned at the early stages of the course and will involve participants producing evidence that they understand the information delivered on the course.

In the practical observation, participants will be assessed taking a quality player at U12 Club & Regional standard.

Course costs:

Course Cost - €2,500

Practical repeat – €100
