

Malahide Lawn Tennis & Croquet Club

Club Profile

Founded in 1879, Malahide Lawn Tennis & Croquet Club (MLTCC) is one of the oldest clubs in Ireland. With a membership of 1,500, MLTCC is also one of the largest clubs in the country. The club is situated in the centre of Malahide Village, a picturesque and popular location 35 minutes from Dublin City Centre and 15 minutes from Dublin Airport.

MLTCC actively supports tennis players of all standards and levels of experience and there is a vibrant social tennis scene, as well as a tournament performance programme for both juniors and adults. The new clubhouse was opened in 1992. It was subsequently extended and upgraded in 2010 to enhance the existing facilities and to open-up panoramic views over the local marina, the estuary and out to the Irish Sea on one side and over the courts on the other. The club boast 9 tiger turf tennis courts, plus 3 mini-courts. To maintain the high standards expected by the members, the facilities are constantly monitored and upgraded.

Over the years, club members and teams have won numerous local, provincial and national titles. Several members have achieved international representation in Davis, Federation and King's Cups as well as in ITF Junior and Veteran competitions. Club teams have won over 50 DLTC inter-club league pennants since 1998 alone.

General Manager Opportunity

The Executive Management Committee is seeking to recruit a General Manager, responsible for overseeing the operation of the club. This is an exciting opportunity for someone who wants to work with an energetic and ambitious Executive Committee and Director of Tennis to ensure Malahide Tennis Club continues to thrive, is successful and remains a critical part of both the Malahide community and tennis in Ireland.

Essential Duties

- Play a critical role, together with the Executive Committee and Director of Tennis of executing the annual business plan to deliver against the strategic objectives of the club.
- Promote, market and drive sponsorship for our club.
- Execute infrastructure development projects as agreed to by the membership and Committee.
