

Trackside Lawn Tennis Club

Head Coach position

Trackside Lawn Tennis Club, Dublin 13, is inviting applications for Head Coach to oversee all aspects of the club's coaching and organised play activities. The club is growing rapidly and has significant potential to grow further. The club is situated in Seagrange Park between Bayside and Baldoyle residential areas, has 6 floodlit all-weather courts, a sizable clubhouse and space for expansion. The committee would like to work with a committed and enthusiastic coach to fully develop this potential.

The Head Coach will oversee the junior coaching programme and the provision of group and private lessons for senior members of all playing standards. The Head Coach will also organise delivery of ongoing schools and Enjoy Tennis programmes and junior camps. In addition, the coach would be responsible for organising and managing level-based play for the players in the programme and with promoting and growing the club.

We look forward to meeting Tennis Ireland licensed coaches with a minimum of 2 years coaching experience and a lot of enthusiasm.
